CANIGEST

SUPPLEMENT

Rapeseed Oil, Kaolin, Fructo-Oligosaccharides, Mannan-Oligosaccharides, Pectin, Glutamine, Roast Meat Flavouring, *Enterococcus Faecium* (NCIMB 10415):

Reg. No. V21870 (Act 36/1947)

A highly palatable complementary digestive supplement for dogs and cats combining a probiotic, prebiotics, glutamine, kaolin and pectin. It is particularly suitable for feeding to dogs to assist in the nutritional management of digestive tract upsets.

Pack size:
15 ml, 30 ml.

Directions for use:
Feed CANIGEST directly into the mouth for up to 5 days or as directed.
It can also be added to the feed.

Puppies and Cats: 1-2 ml 2-3 times per day.

Adult Dogs: 2-5 ml 2-3 times per day.

Registration Holder:
Afrivet Business Management (Pty) Ltd. Co.Reg. No. 2000/011263/07

ORTHOPEX PLUS

SUPPLEMENT

Chondroitin Sulphate, Glucosamine HCL, Methyl Sulphonyl Methane

Reg. No. V20739 (Act 36/1947)

Nutritional maintenance of healthy cartilage and joints in dogs & cats.
Easy to feed liquid formulation for addition to the food.
Contains no ingredients of animal origin.
No possibility of presence of animal prions or viruses.
Palatable natural yeast flavouring.

Pack size:
200 ml.

Directions for use:
(1 SUPPRESSION = 2 ml)
Mix ORTHOPEX Plus well into the food. Feed each dog/cat individually.

Feeding Instructions:
See package insert for detailed instructions.

Registration Holder:
Afrivet Business Management (Pty) Ltd. Co.Reg. No. 2000/011263/07

FURINAID PLUS

SUPPLEMENT

N-Acetyl Glucosamine 6.25% w/v; L-Tryptophan; Roast meat flavour.

Reg. No. V28935 (Act 36/1947)

FURINAID PLUS is a complementary supplement for cats in a convenient liquid form. Daily feeding will nutritionally support the glycosaminoglycan levels in the mucosal barrier of the bladder wall and assist in the maintenance of normal nerve function.

Pack size:
200 ml.

Directions for use:
(1 SUPPRESSION = 2 ml)
Mix FURINAID Plus well into the feed. Feed each cat individually.

Feeding Instructions first 14 days: 6 ml per day

Feeding Instructions for maintenance: 4 ml per day

Registration Holder:
Afrivet Business Management (Pty) Ltd. Co.Reg. No. 2000/011263/07

Registration Holder:
Afrivet Business Management (Pty) Ltd. Co.Reg. No. 2000/011263/07

COPRONAT[®]

BEHAVIOUR - FOOD SUPPLEMENT

Yucca schidigera extract (YSE)

Reg. No. V22705 (Act 36/1947)

COPRONAT[®] is a natural food supplement containing *Yucca schidigera* extract (YSE) which has been shown to control coprophagy and eliminate the offensive odour associated with flatulence in both cats and dogs.

Directions for use:

If a dog/cat is fed more than once a day, then the daily dose of Copronat[®] can be divided with each meal. It is imperative that the Copronat[®] is administered every day for a minimum of six weeks or longer to ensure success of the treatment. Skipping a dose may result in the coprophagia not being resolved.

- 0 - 10 kg:** 2 ml per day (4 pump depressions per day)
- 10 - 20 kg:** 4 ml per day (8 pump depressions per day)
- 20 - 30 kg:** 6 ml per day (12 pump depressions per day)

Pack size:
250 ml.

Registration Holder:
Afrivet Business Management (Pty) Ltd. Co.Reg. No. 2000/011263/07

SURGI-LOCK 2oc®

WOUND CARE - MD

2-Octyl Cyanoacrylate

Surgi-lock 2oc® is not a pharmaceutical product and is not intended to replace one.

Provides microbial-barrier protection 99 % effective *in vitro* for 72 hours against organisms commonly responsible for surgical site infection.

Directions for use:

Clip hair from site. Wash site with an anti-bacterial soap rinse and dry. Apply an antiseptic solution. Once the surgical procedure is finished approximate the skin edges and blot dry any excess fluids. Remove cap from 2 ml bottle. Insert dosing pipette into the bottle. Compress pipette bulb and release until it fills with the desired amount of adhesive. Replace the cap. Apply Surgi-lock 2oc sparingly in a thin line to the surface of the skin incision via the disposable pipette. Hold incision and wounds together for 10-60 seconds. Once completed check for any signs of bleeding and reapply adhesive if necessary.

Pack size:
2 ml.

Registration Holder:

Afrivet Business Management (Pty) Ltd, Co.Reg. No. 2000/011263/07
